

2016 will be remembered as one of the most disruptive years for the South African public higher education system. #FeesMustFall started trending more than a year ago, in October 2015. And now 13 months into the future this student led protest movement has no end in sight. Can online learning provide a cost-effective solution to learners in South Africa? What skills do students require to be successful?

SPEAKERS:

Adrian Ziller - Head at The Performance Workshop, Blue Pencil

Moto: Happy thoughts!
